SCOTT B. PRICE & COMPANY CERTIFIED PUBLIC ACCOUNTANTS 456 MONTGOMERY STREET SUITE 1040 SAN FRANCISCO, CA 94104

Dear Valued Client:

This letter is to confirm and specify the terms of our engagement with you and to clarify the nature and extent of the services we will provide. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom returns are prepared to confirm the following arrangements.

In order to meet the filing deadline for your 2019 income tax return, your completed tax organizer and signed engagement letter must be received by our office no later than March 10, 2020. Any information received after that date may require an extension of time be filed for your return. If an extension is filed, your completed tax organizer and signed engagement letter needs to be received by our office no later than August 15, 2020. We understand that you may be waiting for K-1s that may not be available by the March 10 or August 15 cutoffs, but we still ask that you send your other tax preparation materials by March 10, 2020, and no later than August 15, 2020. Please send your K-1s as soon as you receive them.

Any information received after April 10 may not be able to be thoroughly reviewed or considered in any extension computations. We do our best to accommodate last minute documents, but we cannot make any guarantees that we will have enough time to thoroughly process this information.

We request that you are timely and responsive to our requests for additional information.

We encourage you to upload all tax documents to your Client Axcess Portal. This is the most secure way to provide us with your documents. We ask if possible to upload your documents into one pdf file, and to not send multiple folders, jpeg, and or zip files. If the majority of your documents are ready, please send them, and add the last pieces as they become available. This will provide us more time to accurately assess and calculate any payments due with your extension request. If you need assistance using the portal or accessing documents from our website, please call our office and we can support you with how to use it.

If you are unable to use the portal to provide us your documents, we ask that you provide us with photocopies of your original tax documents, as we will be destroying any hard copies mailed to us after retaining them electronically for our records.

We will prepare your 2019 federal and state income tax returns from information you provide to us. We will not audit or otherwise verify the data you submit, although it may be necessary to ask you for clarification of some of the information. We will furnish you with questionnaires and worksheets to guide you in gathering the necessary information. Your use of such forms will assist in keeping the fee to a minimum.

It is your responsibility to provide all the information required for the preparation of complete and accurate returns. You should retain all the documents, canceled checks and other data that form the basis of income and deductions. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. You have the final responsibility for the income tax returns and, therefore, you should review them carefully before you sign them.

The enclosed Tax Questionnaire is designed to help you gather the tax information needed to prepare your 2019 personal income tax return. The Questionnaire asks about pertinent tax items necessary for preparing the most accurate tax return possible. Please complete the Tax Questionnaire, attaching a statement when necessary.

Please also update your personal information, including dependent information and bank information (for direct deposits and withdrawals).

You will also need to provide the following information:

- Forms W-2 for wages, salaries and tips.
- All Forms 1099 for interest, dividends, retirement, miscellaneous income, Social Security, state or local refunds, gambling winnings, etc.
- Brokerage statements showing investment transactions for stocks, bonds, etc.
- Schedule K-1 from partnerships, S corporations, estates and trusts including basis schedules.
- Statements supporting educational expenses, deductions or distributions, including any Forms 1098-T, 1098-E, or 1099-Q.
- All Forms 1095-A, 1095-B, and/or 1095-C related to health care coverage or the Premium Tax Credit.
- Statements supporting deductions for mortgage interest, taxes, and charitable contributions, and medical expenses (including all Forms 1098 and/or 1098-C).
- Copies of closing statements regarding the sale, purchase, or refinance of real property.
- Legal papers for adoption, divorce, or separation involving custody of your dependent children.
- Any tax notices sent to you by the IRS or other taxing authority that you have not previously sent to us.
- Information regarding stock based compensation, including copies of new awards, exercise confirmations, and IRS Forms 3921 and 3922.

We have posted an excel file on our website that is available for you to download and enter data rather than recording in the organizer. There are separate worksheets for different types of income and deductions and one master booklet that contains all of the individual worksheets. We ask that you still send the supporting documentation if you use these worksheets. If you have a business (Schedule C), a rental (Schedule E), or a farm (Schedule F) and related home office or business auto expenses, we ask that you either complete the appropriate pages of the organizer, or provide a profit and loss statement. You do not need to send receipts of your expenses.

In an effort to save you time in putting together the package and to increase our efficiency in working through the information, where you are providing the source documents listed above, we would prefer that you do not separately fill in the organizer with these amounts.

Our work in connection with the preparation of your income tax returns does not include any procedures designed to discover defalcations and/or irregularities, should any exist. We will render such accounting and bookkeeping assistance as determined to be necessary for preparation of the income tax returns.

Our fee for these services will be based upon the amount of time required at standard billing rates, plus out-of-pocket expenses. In addition, this fee depends upon the timely delivery, availability, quality, and completeness of the information you provide to us. You agree that you will deliver all records requested and respond to all inquiries made by our staff to complete this engagement on a timely basis. All invoices are due and payable upon presentation. We require that your accounts are brought current before we begin 2019 tax preparation.

The law provides that various penalties may be imposed when taxpayers understate their tax liability. If you would like information on the amount or the circumstances of these penalties, please contact us.

Your returns may be selected for review by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such government tax examination, we will be available upon request to represent you and will render additional invoices for the time and expenses incurred.

IRS regulations require paid tax preparers who expect to prepare and file 11 or more federal individual or trust tax returns to file them electronically. To comply with this requirement, your return will be electronically filed this year. E-filing is a secure way to file tax returns and provides proof that the IRS has accepted your return for processing. Contact this office if you prefer your return be filed on paper.

The IRS does not send unsolicited emails requesting detailed personal information. Such authentic looking emails are called "phishing" emails and responding may expose you to identity theft. If you receive such an email from the IRS, send a copy of the email to phishing@irs.gov. Please do not respond to the email unless the email request you send to the IRS has been verified as legitimate. You may also contact our office regarding any correspondence, written or electronic, that you receive from the IRS.

If the foregoing fairly sets forth your understanding, please sign and date the enclosed copy of this letter in the space indicated and return it to our office. However, if there are other tax returns you expect us to prepare, please inform us by noting so at the end of the return copy of this letter.

We want to express our appreciation for this opportunity to work with you.

Electronic Filing

Electronic Filing:

Electronic filing is the means by which your return is transmitted directly to the IRS and state tax authorities. Electronic filing is the only filing method that provides you with acknowledgment that the IRS has received your return and is processing it. If you are to receive a refund and use direct deposit with electronic filing, you will normally receive your refund in about 3 weeks.
